## Pet Care Plan 2017 – What's New?

### Good News – Prices remain the same!

Being part of Bearsted's Pet Care Plan you are safe in the knowledge that your pet's health is well covered with annual vaccinations, flea treatment and worming treatment as well as regular check-ups and yearly urine testing but being part of the plan also gives you other various benefits. This year we have included the following:

- A Physiotherapy Assessment with a qualified nurse
- A Nutritional Assessment with a qualified nurse
- 30% off Seresto Collars
- No charge for processing insurance claims

And as if that wasn't enough – keep your eyes peeled for regular special offers and promotions exclusive to our PCP members.

Our current offer is: **PCP Dentistry Package - £100 for Cats**

**And £120 for Dogs.**

Your VIP pet will receive a general anaesthetic, dental examination and full scale and polish. Banish that smelly breath and dirty teeth!

If tooth extractions are required then additional costs apply, but any additional charges would be discussed in advance.

This offer will run throughout April and May.

Call one of our Receptionists on 01622 736677 to book one of the limited slots.
